

4/H-64 (iv) (PR-INS) (Syllabus-2015)

2 0 2 1

(July)

BIOCHEMISTRY

(Honours)

(**Cell Biology and Physiology**)

(**Practical—IV**)

Marks : 19

Time : 6 hours

Instructions to Examiners

1. (a) A suitable sample should be provided to the students individually to prepare the slides. The examiners should verify the stage of mitosis in the prepared slides as reported by the students.

(b) All requirements should be kept ready before hand and supplied to the students during the examination.
2. Viva voce should cover the entire practical syllabus of the semester.
3. Marks on practical record should be based on punctuality and neatness.
