

The NEP 2020 underscores the importance of research in achieving educational excellence and global competitiveness. This workshop is designed to address the gap in research training, particularly in Humanities and Qualitative Research, by providing a comprehensive platform for learning and collaboration. By enhancing research capabilities, participants will be better equipped to contribute to their fields and fulfill the objectives of the NEP 2020.

We Look forward to your
participation and support
in making this workshop a
success

ABOUT

The Department of Economics, in collaboration with the Research and Development (R&D) Cell of St. Anthony's College, Shillong, is organizing a Research Methodology Workshop aimed at both Social Sciences and Humanities. This workshop will focus specifically on Qualitative and Quantitative Research. The sessions will be interdisciplinary, covering topics in Languages and Literature, Mass Communication and Mass Media, Folklore and Statistics, making this workshop unique and comprehensive.

RESOURCE PERSONS

- Dr. Jayanta Kumar Bora, Founding and Executive Director, VART Consulting (P) LTD, Mumbai
- Prof. Geetika Ranjan, Anthropology Department, NEHU
- Prof. Nathaniel N. Majaw, Department of Mass Media, NE-India Archive, St. Anthony's College
- Dr. Amanda C. Tongper, Department of English, St. Anthony's College
- Dr. Strong P. Marbaniang, Department of Statistics, St. Anthony's College

The primary objective of this workshop is to empower faculty members and research scholars with advanced research skills and methodologies, particularly in the Humanities and Social Sciences. By the end of this workshop, participants will be able to:

- 1 Analyze foundational statistical concepts and apply them in quantitative research settings.
- 2 Evaluate different qualitative and quantitative research methods to determine their suitability for various research contexts.
- 3 Apply data analysis techniques using statistical tools such as SPSS and data collection tool like Kobo Toolbox.
- 4 Create systematic literature reviews and utilize software like Mendeley for effective literature management.
- 5 Synthesize research findings to write and publish high-quality scientific research papers.

This workshop aligns with the National Education Policy (NEP) 2020, emphasizing the critical role of research in transforming the education system. The workshop aims to:

- 1 Equip educators with advanced research skills to enhance their teaching and research capabilities.
- 2 Foster a culture of high-quality research that contributes to knowledge creation and innovation.
- 3 Promote interdisciplinary collaboration among researchers in the Humanities and Social Sciences.

This Research Methodology Workshop is a strategic initiative to enhance research skills among educators and scholars, fostering a culture of excellence in research. By focusing specifically on Qualitative and Quantitative Research. The workshop will address a critical need, making a significant impact on research practices and outcomes in these fields.
